

OHMVR Division Mission

The Mission of the Off-Highway Motor Vehicle Recreation (OHMVR) Division is to provide leadership statewide in the area of off-highway vehicle (OHV) recreation; to acquire, develop, and operate state-owned vehicular recreation areas; and to otherwise provide for a statewide system of managed OHV recreational opportunities through funding to other public agencies. The OHMVR Division works to ensure quality recreational opportunities remain available for future generations by providing for education, conservation, and enforcement efforts that balance OHV recreation impacts with programs that conserve and protect cultural and natural resources.

Carnegie SVRA Draft Declaration of Purpose

The purpose of Carnegie SVRA is to provide effectively managed, responsible off-highway vehicle (OHV) and related recreational opportunities while protecting and interpreting Carnegie's valued cultural and natural resources.

Carnegie SVRA will continue to be an affordable location for visitors to enjoy a wide variety of OHV recreation. Carnegie SVRA will be a model of exciting and well-managed OHV recreation as well as excellent environmental stewardship. Visitors will be able to learn about and contribute to the long-term sustainability of diverse cultural, historical, and natural resources present within the SVRA.
