

Physical Constraints

Slopes

Biological Resources

Cultural Resources

Mine Safety

Considerations for Alternatives

- Property ownership
- Purpose acquired and funding source
- OHMVR Division Strategic Plan
- California Public Resources Code (PRC)
- State and federal laws regarding resource protection
- Air quality plans/districts
- Corral Hollow Watershed Assessment (CHWA)/Storm Water Management Plan (SWMP)

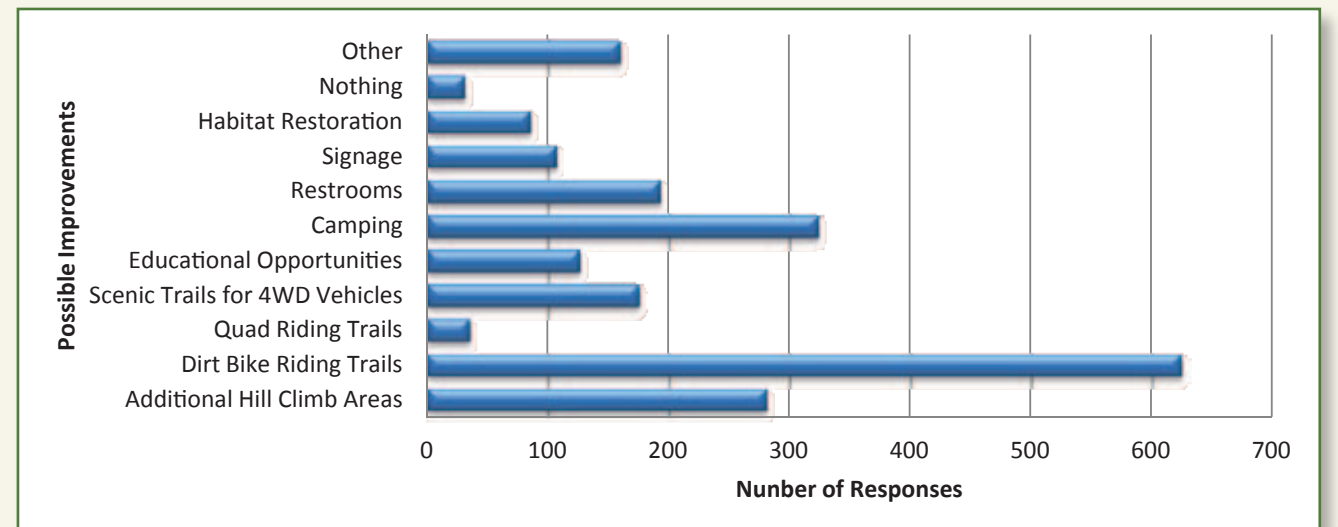

Collected ideas and comments

- The public meeting in May 2012
- Emails
- Website comments
- Letters
- Online survey
- Stakeholder/agency meetings (historical societies, rider groups/concessionaire, neighbors, environmental groups, Native American groups)
